EDUCATION

Aug 2017 – July 2021 **Agni College of Technology (Anna University), Chennai.**

Bachelor of Engineering (Computer Science) with Cumulative Grade Point Average 7.80. Computer Science as Major have acquired below skills and performed listed project.

- **Mini Project:** Automatic Timetable Generator

Learned PHP, Anaconda Python as front-end and My-SQL back-end DB created Automatic Timetable Generator with help of my team members, we can do this project and I took the system gathering and debugging in coding parts as my role in this project and learned about new technology like Anaconda Python with PHP.

- **Major Project:** Detecting Lung Cancer using 3D CNN with Deep Learning Techniques.

Learned PHP, Anaconda Python as front-end and My-SQL back-end DB using 3D CNN (Deep Learning Technique) assisted in performing tests to detect lung cancer.

June 2016 – April 2017 **Vidhya Matriculation Higher Secondary School, Chennai.**

Computer Science with Mathematics (Group-1) (State Board) with Cut-off – 145/200 total mark – 970/1200 (81%).

June 2014 – April 2015 **SSLC (State Board), Zigma Matriculation School, Chennai.**

Total mark – 472/500 (94%).

Skills:

C, C++: Expert	Core-JAVA: Intermediate	Python: Beginner
Programming: Intermediate	MySQL: Intermediate	PHP: Intermediate
HTML5 & CSS: Expert	Software Logic: Beginner	JSP: Intermediate

HOBBIES: Carrom, Chess, Reading Books (Leader Achievements books like Gandhiji stories, Moral Stories book)

WORK EXPERIENCE:

Company Name	:	Lucas Tvs Private Limited
Company Location	:	Chennai-Padi
Designation	:	Programmer , Infra-Support
Current CTC	:	240000 PA
Start date	:	02/05/2023
End Date	:	Currently working -Present

Description:

Working on Oracle netbeans on Java EE Application with Servlet and backend as SQL Database according to clients favors.

INTERNSHIPS:

03 Dec 2018 – 05 Dec 2018 RETECH SOLUTIONS PVT LMT, Chennai.

In Dot net basics,I acquired knowledge of how to coding and running it and how it can be used in company's projects.

06 Dec 2018 – 08 Dec 2018 AMARA INFOTECH, Chennai.

In Networking,I learned about how and what is Networking can be done in computers, mobile and how they can shared information from one place to other side place.Mainly , structure of network can be learn deeply . Many sections like TCP,UDP,Ftp,etc.

25 Dec 2019 – 29 Dec 2019 KAASHIV INFOTECH, Chennai.

In Digital marketing, I studied brief discussion of java ,c, python with little bit of Introduction for IOT , Embedded data . Explain about microprocessor and microcontroller devices.

INDUSTRIAL VISIT:

02 Dec 2019 - PYROFERUS TECHNOLOGY, Chennai

I gained some basics information about jobs in IT companies like Testing and Automation engineering. They explained about what is important of testing in software sides , because Testing plays a major role in the project of all MNC companies.

COURSE:

January 2019 – March 2019 3-Edge Solutions Private Limited in collab with Agni College of Technology, Chennai.

They gave me a technical side of interview part in IT companies sponsored by my college as a academic classes like it . This was helpful for when I attended interview in assessment parts

January 2023 – April2023 Green Technology , Perumbakkam Chennai.

This can be finished training in Java Full stack developer and completed upto javascript some topics. I learnt very well and gain knowledge in both backend and frontend tools

LANGUAGES:

	Speak	Write	Read
1.English	Conversation Level	Advanced	Advanced
2. Tamil	Advanced	Advanced	Advanced

Extra-Curricular Activities:

31 Jan 2020 – 1 Feb 2020- Madras Institute of Technology, Chennai.

Samitha was named as symposium with different types of games,quizes and tests in core areas like coding language like python,java and dotnet ,etc. I participated in quizes and java and python test and got participation certificates.

18 December 2016- District Level Carrom Competition conducted by Govt hr Sec School, Sholinganallur, Chennai.
